IUSY Presidium

Vienna, 20th September 2016

Dear Comrades,

We are glad and proud to invite you to the

IUSY ASIA PACIFIC COMMITTEE LEADERSHIP CONFERENCE

“Decent pay, decent work for a decent life for Asia Pacific Youth”

from the 10th to the 13th of November (Delhi, India)

Asia Pacific is home to nearly 60% of the world's population, it's also one of the fastest growing regions in the world, that on itself creates certain issues that if not addressed or lacking the necessary structures to sustainably maintain some standards of living as well as a strong political education in order to enable the population to identify the root causes of those issues and 'walk' towards possible solutions rather than reproducing the same reality for future generations.

The region also (understandably) holds over 60% of the young people in the world hence the youth issues that other regions are experiencing are magnified here.

The Asia-Pacific Leadership Committee will give the opportunity to the young socialists & social democratic politician to discuss on those very important issues and at the same time planning strategies on how to improve the reality in the region.

Olof Palme International Centre's Global Project finances the Asia Pacific Committee Leadership Conference. Each organization can register up to two participants for the conference, gender balanced, and holding leadership position within the organization since the Committee Meetings are the most important platforms for the regions in between the Congresses and Councils.

For any questions or remarks please don't hesitate to contact the IUSY Secretariat at iusy@iusy.org
We are very much looking forward to seeing you!

With best regards,

Howard Lee
IUSY President

Alessandro Pirisi
IUSY Secretary General
