

Dear friends,

As the president of the Swedish Social Democratic Youth (SSU) I am happy to announce that SSU hereby nominate Andrea Törnестam, Secretary General of SSU for the position as IUSY vice-president.

Andrea has in her role as secretary general gained a lot of experience of international cooperation. Furthermore, she is a dedicated person with several years of experience of political organizing.

At the last IUSY Council Andrea was elected vice-president. Since then she has gained more experience and has focused on issues regarding IUSY finances, internal policy and as well as the political discussions.

SSU hereby give Andrea our strongest support. We believe that Andrea will be a great asset for our international cooperation in IUSY.

Sincerely,

Philip Botström

President of SSU Sweden
