Dear comrades, Dear friends,

We, Young Socialist of Georgia (YSG) would like to nominate Ana Pirtskhalava as a candidate for the position of IUSY Secretary General for the period of 2018-2020.

Ana has been Secretary General of YSG during 2012-2016 years and she has done significant work for the Young Socialist in Georgia. She was also representing us in international activities and has been participating and playing active role in the work of IUSY, first as Vice President and then as member of Control Commission. We believe that her experience and commitment to her work will serve for the future development of IUSY and we ensure that she takes on the full responsibility of the position.

With best socialist regards,

Salome Adamia

President of YSG
