Dear Comrades,

On behalf of Union of Young Socialist (SMS Ukraine), we would like to nominate Ievgeniia Lukianchenko as a candidate for the position of IUSY Control Commission member for the period of 2018-2020.

Ievgeniia has been International Secretary of SMS since 2015. She has done significant work for our organization and development of our country in such an important and tough period of contemporary Ukrainian history. After successfully finishing her studies abroad, Ievgeniia came back to Ukraine in order to supporting our society in its capacity building and renewal. With a great enthusiasm she brings international experience to the regional system and contribute into the developing of Ukraine as a European Social Democratic country.

Ievgeniia represents SMS at the various international events organized by IUSY, YES and our counterparts and partners from all over the world. We are very much confident in Ievgeniia's professional skills and we can positively say that not many people and not that often surprised us with such strong leadership and management skills and critical and analytical thinking as Ievgeniia does. She could explicitly convey her ideas in minimal time and supported them with reasoned arguments that made her a group leader during many SMS discussions and briefings.

We strongly believe that Ievgeniia will contribute with her practical international experience, commitment and dedication to core socialist values for the development of IUSY Movement. Furthermore, we ensure that Ievgeniia will take on the full responsibility of the position.

Socialist regards,

Vitaliy Romanchenko  
Chairman of SMS Ukraine
