**RE: Motivation letter for my candidacy for IUSY vice Presidency**

Dear Comrades,

I am Timothy Sambwa, aged 23 and currently serving as the Secretary for Social Welfare of the Uganda Young Democrats (UYD).

It's noteworthy that UYD's main agenda in the forthcoming years is to lead a revolution for the youth to take up the mantle of leadership in our jurisdiction and in the same way inspire and awaken other youth organizations to indulge in the same.

The UYD has therefore chosen to walk this path with IUSY to be the beacon of hope to all youth, to robustly advocate for human rights as we champion democracy and socialism across the globe.

I believe that if we do not partner with all concerned stakeholders then the problems that haunt our youth generation will be the same that will haunt the youth generations to come.

As a proactive member of the IUSY member organization therefore, I beseech to be entrusted with this mantle to assure the realization of our objectives.

With Socialists regards.

Sambwa Timothy

Secretary for Social Welfare, UYD
