On behalf of the Youth Council DPS Montenegro, we would like to announce candidacy of Nikola Pešić for International Union of Socialists Youth Vice president.

Nikola serves as a president of Youth Council DPS Montenegro for five years, and in this period of time Youth Council has become the biggest and strongest youth branch, not only in Montenegro but in the whole region. Nikola has been working in the international affairs for more than three years with the biggest achievement of having Youth Council of DPS Montenegro a full member of International Union of Socialist Youth and Young European Socialists. Nikola has been a leader of Montenegrin youth delegation in the visit to China as well as the participant of IVLP organised by State Department of US, represented Montenegro in many seminars and programmes in Montenegro and all over the world.

So far Nikola has proven that he is an excellent team player, responsible and dedicated in order to fulfill organizational goals. These are only some of the reasons we think Nikola should be great vice president, also representing Montenegro abroad and our organization in the best way.
