Dear participants in the 33rd IUSY World Congress,

On behalf of all members of UJSARIO I present our warm greetings to our sisters and brothers in IUSY big family.

We would like to congratulate you in the 33rd IUSY Congress, We believe this congress will be the exercise of the fundamental values of democracy and freedom of choice.

We received with deep appreciation the candidacy of Benedicta Lasi to the position of IUSY president, and hereby we in UJSARIO endorse Benedicta in her brave decision, and we support her to be the president of IUSY. For the last several years Benedicta had shown honest and hopeful insight into youth problems and needs. She had given unconditionally to socialist youth and contributed significantly to the building of IUSY home.

We wish all the success to the new elected board and leadership of IUSY.

Sincerely,

Hamdi Yusef
