Letter of support for the nomination of Charlotte Rosa Dick as IUSY Vice President

Dear Comrades,

It is with great pleasure, that we announce the nomination of Charlotte Rosa Dick as candidate for the position of IUSY Vice President by our national congress in November 2017. We are happy to support Charlotte in her appeal to be elected by the IUSY member organizations.

Charlotte has been active within Jusos since 2006 and from early on, she has dedicated her work to international cooperation and solidarity. In 2009 Charlotte took part in the IUSY World Festival in Hungary and has not missed any festival since. With her experience it was possible to organize the Workers Youth Festival 2013 in Dortmund and the Europe: Turn Left-event in Duisburg in 2017. In November 2013 she was elected vice-chairwoman of Jusos and has from there on represented our organization on the international youth level. She has been a delegate to IUSY congresses and councils in the last years and know the organization very well. Charlotte also was the Deputy Spokesperson of the German National Committee for International Youth Work (DNK) 2015-2016.

During her time as vice-chairwoman of Jusos, Charlotte has been very active in our international project in Jerusalem, the Willy Brandt Center. Her main focus was the women-delegation and the establishment of a women's network between young women from Israel, Palestine and Germany. Due to her involvement in this field, we are optimistic that her experience can help IUSY in this region.

Her favourite political topic is the climate change and the issue of sustainability. With her candidacy we connect the hope, that these topics will play a key role in the activities of IUSY in the coming years. We are still certain that her deep knowledge of socialist values, her expertise on many international topics as well as her bright personality will work fantastically with the tasks IUSY has planned to tackle in the upcoming years. She will be an asset to a IUSY Presidium as she is a critical thinker but always strives towards finding shared solutions and to take cooperative actions. She will be a strong voice for the values and ideas of IUSY and we are sure, that she is the best to represent the Jusos in the international level.

We therefore ask for your support of Charlotte's candidacy.
