### **APPLICATION FOR READMISSION AS A MEMBER ORGANIZATION**

Dear Sir/Madam

With reference to the above subject. The African National Congress Youth League (ANCYL), the home of all economically marginalised and the downtrodden youth of South Africa, writes to the IUSY, to request to be readmitted as a member organization, after our unfortunate expulsion a few years ago.

From the onset, let us make it known that we take full responsibility of the unethical acts committed by our former comrades in the name of the ANCYL, and extend a sincere apology to the IUSY and the entire justice loving youth of the world. We view the period of our expulsion as not only a dark cloud over our glorious youth movement, but also as a learning curve for our organization.

After undergoing a process of organizational rehabilitation, we therefore apply to be readmitted as a member organization, of the IUSY, an important organ in the fight against imperialism and the creation of a new world order, built on the principles of equality and justice for all. The ANCYL remains committed to the struggles waged by the IUSY, and believes that there is no better platform to advance these noble struggles than the mighty IUSY.

We hope that you will find our application in order and respond positively by readmitting us to be an active member of organization of the IUSY.

Yours in the struggle against imperialism!

**Comradely Yours**

**SECRETARY GENERAL (ANC Youth League)**
