Nomination letter for Ramón Ricardo Rosas Romera as IUSY vice-president

Dear comrades,

It is an honour for Juventudes Socialistas de España to address you all and to nominate and ask for your support for our comrade, Ramón Ricardo Rosas Romera, as candidate to be vice-president of the International Union of Socialist Youth (IUSY).

After many reflections, we have come to the conclusion that Ramón Ricardo is the right person to take on the responsibility of being the vice-president of this organization.

Since his youth, Ramón Ricardo has been fully involved in all participation spaces aimed at building a more equal society. He has assumed political and institutional responsibilities, both in the JSE and in the PSOE, as well as in the Government of Andalucía, which have allowed him to lead very diverse teams. This extensive political experience, together with his training as a political scientist and public administration, has allowed him to develop his political work as Secretary General of our organization (JSE).

We need a leadership that is capable of uniting our organization to fight the threat of the far right parties and lead the LGBTIQ+ fight, among many other issues, around the world. And that will only be possible from political activism and the transformation of society from the institutions.

We sincerely hope to receive your support for the candidacy of Ramón Ricardo as vice-president of IUSY.

Sincerely,

Omar Anguita Pérez
President of JSE
