Dear Comrades,

It is with great pleasure that we declare our support for Benedicta Lasi, of the National Democratic Congress - Ghana for the position of President in the upcoming 2020 IUSY Congress in Panama. During the last two mandates, Benedicta Lasi work as Vice President and Coordinator of the Africa Committee has been nothing but exemplary. She has demonstrated a great degree of commitment and tenacity in rallying the Committee in the activities of IUSY and has constantly engaged member organizations in the region towards the pursuit of the values of IUSY. As a region, given our long-standing commitment to the cause of IUSY we believe that the time has come for us to be given the opportunity to serve the union in the capacity of President.

With Benedicta’s long years of youth activism and experience in international relations as well as her expertise in law, international security and economics, we are enthusiastic of what she will bring to the leadership of IUSY as President of the organization.

We are confident that Benedicta’s election as IUSY President will not just be a win for IUSY but the world in general and we are by this medium calling on all member organizations to support this noble cause.
