WE MAKE CHANGE HAPPEN

GLOBALISING SOLIDARITY

To: Guests

Vienna, 24th April 2023

Dear Guests,
We are pleased to invite you to the:

IUSY WORLD FESTIVAL "GLOBALISING SOLIDARITY"

Farallon, Coclé, Panama
26th June to 1st July

Time has come for one more edition of the IUSY World Festival. IUSY, the progressive world youth and the world's largest political youth organisation, is back to the big public and physical gatherings after turbulent years of pandemic.

The theme of this festival tackles one of the biggest challenges of this millennium: globalising solidarity. Over the past years we have understood the power of globalisation for good: whether it was on scientific share to fight the COVID-19 pandemic or the social media global awareness for Human Rights struggles. Yet, much is still to do.

Our interdependencies have shaped the world as we know it - from commerce to products, from services to technology - but many values have been left adrift in the ship of Globalisation. You, as our present and future leaders, have the responsibility to take Solidarity, Freedom and Sustainability to all the ports of the world.

This Festival will therefore serve to share the values of comradeship and empathy. Together, from the 26th of June to the 1st of July, we will gather the current, the future and the past generations of the International Union of Socialist Youth to discuss our way forward!

Only with your constant work and passion will we be able to change the course of an unequal, unbalanced and indifferent society.

On the occasion of IUSY's 115th anniversary our commitment to the world stays the same: being all over the world to **make change happen**.

With best wishes,

Jesus Tapia
IUSY President

Bruno Gonçalves
IUSY Secretary General

Hussein Pitty
JPRD Panama President

Technical Information

1. Registration

Every participant must register to the IUSY World Festival through the online registration form

<https://forms.gle/ryCBvouZEatwF9QP9> - **Registration Link**

but the payments must be done in one unique transfer for each deadline, from every Member Organisations to IUSY for all the participants registered within the deadline. This doesn't apply to individual delegates who will need to transfer the participation fees on their own.

All further communications will be done through the head of delegations, which will have to be appointed before the first registration deadline!

The registration **deadline** is as follows:

- 25th May 2023

Registration of delegates under 18 years:

If your organization wishes to include participants under the age of 18, IUSY requests a **parental permission** form to be completed and signed by the parents of the participants and the Head of Delegation, who will act as guardian. We will only confirm participation of these participants upon receipt of the completed form. The form should be sent by email to the IUSY Secretariat as soon as you have registered the delegation of your organization. Please bring a second copy of the signed original with you for registration at the festival site.

Delegates under 16 years of age cannot participate in the IUSY Festival 2023 under any circumstances!

Only delegates above the age of 18 are allowed to buy and consume alcohol, so they will have an additional bracelet they will need to show to prove it. We kindly ask the delegations, and especially the Heads of Delegations, to act responsibly in these cases to avoid any inconvenience.

2. How to arrive to the IUSY Festival 2023

It is time to start making travel arrangements for your delegations! It will decrease the costs of your transport significantly but also you may find it difficult to make bookings for a larger number of persons later on. We suggest you to try to coordinate and make joint arrangements with organizations from the neighbouring countries whenever possible.

- **Arrival Day & Departure Day**

Arrival day is the 26th of June and departure day is the 1st of July.

For delegates/guests attending the IUSY Congress in Panama City, transfer from Panama City (Hotel el Panama) to Farallon Beach hotel will be provided on the 26th of June morning. This will allow delegates to have a free day in Farallon and to explore the area, with the accommodation costs totally covered by IUSY/JPRD Panama, until the opening session on the evening.

- **Transportation to and from Festival area**

Transport by shuttle buses will be offered for free on the day of arrival and departure to and from PTY Airport and it will take approximately 2/3 hours.

Transport to the Festival hotel will only be available for delegations and participants who have filled in arrival and departures times when registering.

Please note that you might have to wait for transport since there are a lot of people arriving at the same time and we kindly ask for your understanding. For participants not attending the congress and arriving to PTY on the 26th, we will have a IUSY Festival Meeting Point in the airport to facilitate your transfers.

- **Arrival by plane**

You can arrive to the airport in PTY (Tocumen Airport) from all corners of the Americas with fairly reasonable connections. Direct flights from outside of the Americas are available from: 1) Madrid, 2) Frankfurt, 3) Paris, 4) Amsterdam and 5) Istanbul.

IUSY WORLD FESTIVAL '23

GLOBALISING SOLIDARITY

Arrival to the International Airport Scarlett Martinez (only 4kms away from the festival site) is also possible. Yet, connections to this airport are usually reserved with touristic packages (in case you have a travel agency in your country working with charters to this airport at a special price, this could be a good option!).

Special airlines agreements

IUSY and JPRD Panama are currently contacting some airlines who provide connections to Panama City (PTY) for special discounts on your flights departing or connecting in Madrid (Spain). In case this is possible, information will be delivered soon.

- **Arrival by bus and car**

A parking spot is available at the hotel site. Parking for delegations' buses will be organized at the hotel. This might be useful for organisations in neighbour countries such as Costa Rica. In the case your delegation wants to travel to and from Costa Rica, please inform the IUSY Secretariat to the festival@iusy.org email as soon as possible.

5. Accommodation

- **Hotel**

We are happy to announce that this time you won't need to bring your tents with you (what could be challenging due to the number of people coming to Panama travelling by plane!).

The IUSY World Festival 2023, the first to be realized outside of Europe or its crossroads, will take place in **PLAYA BLANCA HOTEL**. The entire complex, sited in the Riviera of the Panamanian Pacific Coast, will be entirely reserved for the IUSY World Festival during the Festival days.

Coclé is considered the second biggest touristic destination of the country due to all the advantages related to access and infrastructure – apart, of course, from the beautiful natural landscapes!

The hotel will work on an **all-inclusive basis**. More information about the hotel, its location and facilities, can be found here.

6. VISAS

- **VISA REQUEST**

Organizations whose participants need visa to enter Panama should start the application procedure as soon as possible. Please contact the embassy or consulate of Panama in your country right now and make the appointment for starting the visa procedure. In the case Panama doesn't hold an embassy or consulate in your country, we are happy to announce that the Ministry of Foreign Affairs of Panama has accepted to issue electronic visas under request. **We are also glad to announce that thanks to the good will of the Republic of Panama, IUSY Festival participants won't be required to pay for the associated VISA cost. For this, we'll need all the information related to your VISA request until the 15th of April.**

Our comrades of the hosting organization and their mother party are going to do everything they can to assist all member organizations and facilitate their visa procedure but you must always keep in mind that if you apply too late applications of your entire delegation or part of it might be rejected!

Please send the complete and correct information necessary for invitation letters for all your delegates that will need visas as soon as possible and not later than the **15th April.**

We will need the following details about each member of your delegation who needs visa (requested in the form of registration):

- Given name(s)
- Family name(s)
- Gender
- Nationality
- Date of birth
- Place of birth
- Passport number
