Republic of Congo

1. Considering that international solidarity is a fundamental principle of the socialist movement and must be based on real and consistent political coherence.
2. Noting that some parties or movements change their positions once they come to power, contradicting their previous commitments.
3. Considering that such practices undermine trust between progressive organizations and weaken common struggles at the international level
4. Reaffirming that international solidarity cannot be opportunistic or circumstantial, but must be long-lasting and based on respect for shared values.

The International Union of Socialist Youth (IUSY):

5. Reaffirms its commitment to sincere international solidarity based on trust, transparency, and clear political principles;
6. Calls for consistent political coherence between rhetoric, commitments, and practices.
7. Urges socialist and progressive youth organizations to be vigilant in their alliances and partnerships.
8. Reaffirms the need to strengthen genuine international solidarity based on political consistency and fidelity to the principles of the socialist movement.
