- 1 Lobbying is a significant part of politics in today’s society. People may have different
- 2 opinions about it, but the fact that many countries still do not have a lobby register
- 3 striking, especially when such registers exist in the EU and even in the USA. Companies
- 4 should not be able to provide services to politicians behind closed doors without the
- 5 Swedish public knowing about it. Openness and transparency are essential components
- 6 of democracy.
- 7 Based on the above, we propose that:
